A good TOEFL score is not always enough. If you have met (or have almost met) MSU’s basic English-language requirement, you may still have concerns about studying in the USA. This intensive summer program helps international students prepare for their academic course work at Michigan State.

Classes meet for 25 hours each week. Topics include:
- Pronunciation
- Understanding spoken English
- Campus and community resources
- Classroom culture
- Formal oral presentation

The cost is $1600 per person and includes tuition, health insurance (mandatory), and fees. Books and housing are not included.

To participate in the program, students must apply to the English Language Center. (http://elc.msu.edu/apply/pal/ for application procedure)

Participation normally requires:
- Regular or provisional admission to MSU
- TOEFL score of at least 68 on the Internet-based test (520 on the paper-based test; 190 on computer-based test).
