Broad College of Business

Create positive change, connect the dots
Welcome to the Eli Broad College of Business, one of the largest AACSB-accredited business programs in the world, and home to the #1 Supply Chain Management program in the U.S. The undergraduate and graduate programs at the Eli Broad College of Business consistently rank among the nation’s best. In fact, our Full-Time MBA and undergraduate programs both rank among the top 20 U.S. public business schools across all major ranking services.

Upon graduation, our students join the Broad alumni network of over 80,000 business and community leaders in all 50 states and more than 100 countries around the globe. They go on to inspire teams, drive innovation, and make business happen.

College of Education

The College of Education has a mission of Leadership, Scholarship & Service.

Innovative teacher education programs, outstanding faculty, relationships with practicing educators and strong research opportunities make Michigan State University a dynamic place for learning to teach and to contribute to the fields of education and kinesiology. The college is proud to
claim more than 58,000 alumni, each touching lives in their own way around the world.

The faculty remains committed to addressing the educational and physical needs of all learners across the life span, and to working closely with educators, leaders and policymakers in the field.

**College of Engineering**

The College of Engineering is an unprecedented learning environment.

With the wide array of today’s successful news and highlights, it is obvious that the College of Engineering members are pioneering leaders, embracing Michigan State University’s tradition of advancing knowledge and transforming lives through innovative teaching, research and outreach.

Achieving these goals requires adherence to ethical guidelines, such as those published by national professional societies for engineering education and practice. It also requires freedom of expression, so the merits of competing ideas can be compared through reasoned discourse. The College expects respectful, cooperative, constructive, inclusive, and fair interactions among its faculty, staff, and students as they advance the College’s research, instruction, and service missions.

**College of Law**

Expert faculty members. Compelling co-curricular options. One-of-a-kind courses.

Michigan State University College of Law attracts a talented group of students from all over the country (and
Spartan lawyers graduate with a powerful set of legal skills and a genuine willingness to work together. You'll find MSU Law grads serving their clients in every type of legal practice, from private firms to Fortune 100 companies to global nonprofits to government agencies. MSU Law alumni practice law in all 50 states, and all over the world.

**English Language Center**

Let us meet your language needs!

The English Language Center (ELC), established in 1961, serves the English language needs of MSU’s international students, scholars and visitors. In particular, the ELC serves two types of students: those admitted directly for intensive English study and those provisionally admitted who need to take intensive English courses in order to meet minimum language requirements.

Currently, the ELC is housed in the College of Arts and Letters with 25 full time faculty, a number of graduate students, and a professional staff. All of the faculty and staff have many years of teaching and administrative experience in country and abroad.

**Office of Undergraduate Admissions**

Be a Spartan

**Majors, degrees and programs** - we offer more than 200 programs across 17 colleges and unrivaled opportunities for research.

**How to apply** - review application requirements, dates, deadlines, application options and more.
