

Student participants needed for

GLOBAL GENDER & SEXUALITY WEBINAR

We are looking for international LGBTQIA2S+ students who are interested in sharing their experiences.

Sharing our gender identities and sexualities is deeply personal and can have varied implications. Therefore, we are inviting only those students who can comfortably and safely share their lived experiences in a public forum.

What?

As part of MSU's commitment to global DEI, the Office of International Studies & Programs (ISP) and the Center for Gender in Global Context (GenCen) are partnering to offer a webinar titled "Conversations on Global Gender and Sexuality."

Why?

This collaborative effort aims to create awareness around gender and sexuality and understand the needs, challenges and experiences of global communities on campus.

Who?

The webinar will include international students and faculty who are interested in sharing their experiences being a part of and/or working with LGBTQIA2S+ global communities.

When? Jan. 30, 2023 • 12:00–1:30 pm

Confirm participation by January 10

To participate or for any questions, please contact: Dr. Anjam Chaudhary, DEI Coordinator at ISP (chaud110@msu.edu) or Dr. Rajalakshmi Nadadur Kannan, Assistant Director at GenCen (nadadurk@msu.edu).
